

## Sponsorship Request to Expand Impact and Opportunities at TREAD ACADEMY

To whom it may concern:

I am writing on behalf of TREAD Academy, a pioneering educational initiative committed to transforming learning through our microschool model. Since our inception, we have dedicated ourselves to creating a personalized, inclusive, and adaptive learning environment that not only educates but empowers students and the community. As we continue to grow and enhance our educational offerings, we are seeking strategic partners who share our vision of a more innovative, accessible, and effective education system. We have identified several key areas where your support can make a significant impact:

1. **Student Scholarships:** Ensuring that financial constraints do not hinder any child's ability to benefit from our unique educational approach.
2. **Updated Technology:** Providing each student with the tools they need to succeed in a rapidly evolving digital world.
3. **Teacher Recruitment:** Attracting and retaining top educators to foster a nurturing and stimulating learning environment.
4. **Transportation:** Offering reliable transportation for students, ensuring every child has access to our quality education regardless of where they live.
5. **Basic Learning Supplies:** Equipping our classrooms with the essential materials to enhance the learning experience.
6. **International Trip Planning:** Broadening our students' horizons with international trips that align with our mission to develop global perspectives.
7. **Expansion to a New Location:** Opening a second site to separate our middle and high school programs from the elementary levels, providing tailored learning environments that meet the developmental needs of these age groups.
8. **Investment in Sustainability:** Funding innovative projects like a school-run ice cream stand, which has been a hit in our community and teaches valuable entrepreneurial skills.

Your sponsorship can help us achieve these goals and deepen our impact. We are excited about the opportunity to partner with you, as we believe your support could be pivotal. We are eager to discuss this potential collaboration further and explore how we can align our efforts to achieve mutual benefits.

Thank you for considering this opportunity to make a lasting difference in the lives of our students and community. I look forward to the possibility of partnering together to continue reshaping the educational landscape.

Warm regards,

Denice Dixon  
Founder/ Chief of Teaching and Learning
